deficiency response

Dear Mrs. Grubaugh-Littig:

Please consider this a re-submittal of Consol's July 13, 2006 Notice of Intent to Conduct Minor Coal Exploration per R645-200-122. Consol has addressed all deficiencies presented by DOGM. We are submitting three (3) sealed copies of the NOI application. A fourth sealed copy of the application has been forwarded to your Price field office. Two (2) copies of the archeology report were included in the initial submittal.

A cd rom has been included in each submittal with the entire application in pdf format.

If you have any questions concerning this information, please call me at (618) 625-6850.

Sincerely,

John Gefferth
